

Covid-19 booking with full refund

SeaDream Yacht Club was proud to become the first luxury line back in operation in June. We are now equally proud to announce our new 'Ultimate Booking Assurance'.

For all new bookings from July 22, 2020 until June 30, 2021, should there be a government restriction on travel due to Covid-19, we will issue you a full cash refund – or you can get 120% of the amount paid credited towards a future voyage. The choice is yours.

But to take it further: Even if there are no travel restrictions but you decide that you don't want to travel anyway, you can do so and we will move your funds to a future date.

And best of all, you do not have to decide until the day of departure!

Ultimate Booking Assurance Terms:

- Guests can cancel without penalty up to day of departure and receive a 100% cash refund or a 120% Future Voyage Savings of the amount they paid should government restrict travel (from country of guest origin)
- Guests can cancel without penalty for any reason up to day of departure and receive a 100% Future Voyage Credit of the amount they paid.
- Valid on new bookings only starting July 22, 2020 for voyages up to June 30, 2021
- Offer can be revised or rescinded at any time and without notice.
- Valid for Groups.
- Not applicable to charters.
- Airfare and hotels are not included in this offering.
